TO WHOM IT MAY CONCERN

This letter is to confirm that I have known and dealt with Mr Jerry Furnell of Green Pest Control, on a professional level for the past 8 years. Firstly in my capacity as Senior Property Manager as Ray White Surfers Paradise and currently as The Principal of Exclusive Property Management Services.

During the time I have found Jerry to be knowledgeable in his field, honest and extremely reliable.

I use the services of Green Pest Control in the running of my residential rental portfolio and also for my own private residences.

Given the level of service I have received from Green Pest Control over the past 8 years, I would have no hesitation in recommending their services.

Yours faithfully

Rebecca Barker
Principal
