Dear Jerry,

This is a letter to your company to thank you for the efficient and reliable service that you have provided to us.

We have dealt with your company since 1993, when my business was located in Mermaid Beach.

The fact that you stand by your product is paramount especially as we know that no-one likes the recurrence of cockroaches and similar, so your twelve month guarantee has been fantastic, to our clients.

Broadbeach Flatmate Centre deals with hundreds of properties and we always need reliable service industries.

Thank you Jerry, again and to your team and do not hesitate in seeking me to offer a verbal testimonial also.

Kind regards

Craig Hallett
